H.A.B.S. SURVEY NO.

CAL-1656

History: Built in 1869 after earlier resort buildings were destroyed by earthquake of 1868. Six warm springs have flow of approx. 50,000 gals. per day. Ancient Indian watering place. Rancho granted to Fulgencia Higuera 1834, 2 leagues. Clemente Cólumbet acquired springs 1850. After earthquake, acquired by A.A.Cohn who built present building 1869, with intent to extend his S. F. & Alameda R.R. to the resort, but merged R.R. with Central Pacific (cont)
